I am a web developer proficient in the **MERN** stack, with a focus on creating interactive and user-friendly web applications. I have experience in e-commerce and scorekeeping projects, emphasizing real-time features and enhancing user experience through innovative solutions.

EXPERIENCE

Shanti Developers, Chikhli

Fullstack Intern (6 Months)

1 Jan 2024 - 30 June 2024

- Worked on a live website, applying skills to real-world projects using the **MERN** stack (MongoDB, Express.js, React.js, Node.js).
- Enhanced proficiency in full-stack development by handling complex tasks such as user authentication, RESTful APIs, and state management.
- Contributed significantly to the project development process, including front-end and back-end integration and deployment.

Fullstack Intern (3 Months)

15 July 2023- 15 Oct 2023

- Completed assigned tasks efficiently within deadlines, utilizing technologies such as JavaScript, HTML, CSS, and MongoDB.
- Gained valuable experience in web development, focusing on tasks like responsive design, database interactions, and debugging.
- Collaborated with the development team to improve code quality and implement new features.

PROJECTS

PicklePlazoo 🌐Website Github

- Built with React for frontend interactivity and Node.js with Express for backend stability.Utilizes MongoDB for flexible product and user data management
- Includes a responsive UI, search and filter options, secure checkout, real-time inventory management, customer reviews, and personalized user profiles.

SKILLS

Web Development

React.js | Express.js | Node.js | MERN stack | RESTful APIs | JWT authentication | Redux | state management

Programming Languages

Javascript | HTML | CSS | C++ | Basic knowledge of Java and Python

Database Management

MongoDB | Mysql | Firebase

Tools and Platforms

Git and GitHub | Postman for API testing

Data Structures and Algorithms

Arrays | Linked lists | Stacks | Queues | Trees | Graphs | Hash Tables

EDUCATION

Uka Tarsadia University, Bardoli
B.Tech in Computer Science and Engineering
2021 - 2025
7.82 CGPA

Bai Ava Bai High School, Valsad
12th Science
2021
